

NEURO LINGUISTIC PROGRAMMING SKILLS FOR TRAINERS AND LECTURERS

**Actual Fee: ~~RM1,100.00~~
Now at RM888.00*
ONLY!!**

25 Seats ONLY!!

INTRODUCTION

Neuro-Linguistic Programming (NLP) is rapidly proving itself as a valuable tool to assist trainers, lecturers and communicators in the effective delivery of training and development. NLP is a psychological technology that explains how people think, in terms of perception and how they process information. It is a science that has evolved out of modeling human excellence. NLP has developed over the 25 years to become a leading source of skills in the professional world

OBJECTIVES

This two-day workshop uses latest breakthroughs in psychology and communication neurology that guides you to:

- ✓ Discover the skills of top trainers
- ✓ Creating lasting change and mastery of self
- ✓ Learn to improve your presentation skills
- ✓ Develop much greater flexibility in your own communication style
- ✓ Discover powerful persuasion techniques for influencing others
- ✓ Master a number of principles behind human behaviour and interaction
