

Scholarship program in the Kingdom of Saudi Arabia

The public administration for academic scholarships

- Program description: The kingdom of Saudi Arabia offers academic scholarship to international students of various nationalities.
The study covers all specializations except for the medical field, as well as the following levels of studies:
 1. Diploma in Arabic language
 2. Bachelors
 3. Masters
 4. PhD
- Definition of scholarship: It is the academic seat that a non-Saudi student obtains to study in higher education institutions in the Kingdom of Saudi Arabia
- **Admission requirements**
 1. The student's age should not be less than 17 years and not more than 25 years for the university level in the Institute of Arabic language or anything similar. 30 years for the master's level and 35 years for the doctoral level, and the educational institution's council is no exception to that.
 2. Obtain an agreement from the government of the student's country.
 3. The student must not have obtained another scholarship from an educational institution in the Kingdom.
 4. The certificates and documents must be certified by the authorities specified by the educational institution.
 5. Obtain a certificate of good conduct from the police.
 6. Not to be dismissed from one of the educational institutions in the Kingdom.
 7. To pass the medical examination according to the rules and regulations.
- How to apply for grants
Applications are made through the websites of Saudi universities
- Male and female students are accepted in all Saudi universities according to the available specializations and grades. The percentage allocated to each university is 5%, except for the Islamic University. The percentage for scholarship students reaches 85%
